

# LEARNING TO TALK 2

(2 1/2 TO 5 YEARS)

## 1. Don't Wait & See

From the time they are born, children are learning about communication and are getting ready to read and write. The sooner we see children with delayed speech and language, the more we can help them to be successful in school and in life!

Call **1-888-503-8885** or visit us at **[www.language-express.ca](http://www.language-express.ca)** for more information.
