

# Repeat

**Say the same words again and again in different situations.**

Sing songs and repeat favourite nursery rhymes during everyday activities.

Play Follow the leader outside or inside the house. Use words like under, over, through, behind, in front of.

Help your child write the letters of his name and say each letter as you write it. Have your child try to find the letters of his name on signs, menus, in books and at the grocery store.

Sings songs like Head and Shoulders and the Hokey Pokey! This is a fun way to learn the names of body parts.
